A. Public Housing

Public Housing policies that govern resident or tenant eligibility, selection and admission (including preferences), unit assignment, procedures to maintaining waiting list for admission to public housing and site-based waiting lists (if applicable).

(1) Eligibility NO CHANGE

The PHA uses the following non-income screening factors to establish eligibility for admission to public housing:

- Criminal or Drug-related activity
- Rental history
- Housekeeping
- Sex-Offender
- The PHA will attempt to ascertain whether domestic violence was a factor in the poor rental and tenancy history and exercise discretion in determining suitability for tenancy, taking into consideration the circumstances that may have contributed to the negative reporting.

- State law enforcement agencies
- Access to FBI criminal records The PHA utilized the FBI records only when the applicant disputes verification records received from the State.

In relationship of preferences to income targeting requirements, the pool of applicant families ensures that the PHA will meet income targeting requirements.

6.0 903.7 (3) Rent Determination Policies

A. Public Housing

(1) Income Based Rent Policies **NO CHANGE**

a. Use of discretionary policies

The PHA will employ discretionary rent-setting policies for income based rent in public housing.

b. Minimum Rent

The PHA's minimum rent is \$50 00

The PHA has adopted the following discretionary minimum rent hardship exemption policies.

- 1. The minimum rent requirement may be waived due to certain financial hardships. The request for minimum rent hardship must be made in writing to the PHA prior to the rent becoming delinquent. The PHA will verify whether the hardship claimed is temporary or long term. Payment of the minimum is suspended immediately for ninety (90) days when a hardship is requested on one of the following conditions:
 - a. The family has lost eligibility or is awaiting an eligibility determination to receive federal, state or local assistance, including a family having a non-citizen household member lawfully admitted for permanent residence and who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - b. The family income has decreased due to changed circumstances such as separation, divorce, and abandonment;
 - c. One or more family members have lost employment;
 - d. The family would be evicted as a result of imposing the minimum rent requirement;
 - e. There has been a death in the family; or
 - f. There are other hardship situations determined by the PHA on a case-by-case basis, i.e. alimony, child support, etc.

Financial hardship exemption only applies to payment of minimum rent - not to rent based on the statutory formula for determining the Total Tenant Payment (TTP) or Flat Rent in the public housing program.

- 2. If tenant initiates a request for a hardship exemption that the PHA determines is temporary in nature:
 - a. If the hardship is determined to be temporary, rent may be suspended, during the ninety (90) day period beginning on the day the request is made. At the end of the ninety (90) day period, the minimum rent is reinstated retroactively to the date of suspension and the HAP is again adjusted.
 - b. In the case of a temporary hardship, the PHA will allow the family a maximum of six (6) months to make payment of any delinquent minimum rent payments accrued during the suspension period. However, the family must execute a Repayment Agreement.
 - c. The family may not be evicted for non-payment of rent during this ninety (90)-day period.
 - d. If the hardship is subsequently determined to be long-term, the PHA will retroactively exempt residents from the minimum rent requirement for the ninety (90)-day period.
- 3. If the circumstances supporting the request for a minimum rent hardship exemption are long term, tenant's rent will be based on the statutory income-based rent calculation formula during the minimum rent exemption period.
- 4. Hardship determinations are subject to the PHA's Informal Hearing Process and families are exempt from any escrow deposit that may be required under regulations governing the hearing process for other determinations.
- c. Rents set at less than 30% than adjusted income

The PHA does not plan to charge rents at a fixed amount or percentage less than 30% of adjusted income.

d. Discretionary deductions and/or exclusion policies

The PHA plans to employ the following discretionary (optional) deductions and/or exclusions policies:

- The PHA will apply HUD required earned income disallowance
- e. Ceiling Rents

The PHA does not have ceiling rents.

6.0 f. Rent Re-determinations

Between annual income reexaminations, the tenant is required to report changes in income or family composition to the PHA such that the changes result in an adjustment to rent as follows:

- Any time the family experiences an income increase
- g. Individual Savings accounts (ISAs)

The PHA does not plan to implement individual savings accounts for residents as an alternative to the required 12 month disallowance of earned income and phasing in of the rent increase in the next year.

(2) Flat Rents NO CHANGE

The PHA used the following sources of information in setting the market-based flat rents to establish comparability.

- The section 8 rent reasonableness study of comparable housing
- Survey of rents listed in local newspaper
- Survey of similar unassisted units in the neighborhood

B. Section 8 Tenant-based Assistance

(1) Payment Standards NO CHANGE

The PHA's payment standard is:

■ At or above 90% but below 100% of FMR

If the payment standard is lower than FMR, why has the PHA selected this standard?

 The PHA has chosen to serve additional families by lowering the payment standard

The PHA reevaluates the payment standards for adequacy annually and considers the following factors in its assessment of the adequacy:

- Success rates of assisted families
- Rent burdens of assisted families

(2) Minimum Rent NO CHANGE

The PHA's minimum rent is \$50.00.

The PHA has adopted discretionary minimum rent hardship exemption policies. (if yes, list below)

- 1. The minimum rent requirement may be waived under certain circumstances. Financial hardship status is to be granted immediately for ninety (90) days in the event of the following:
 - a. The family has lost eligibility or is awaiting an eligibility determination to receive federal, state or local assistance, including a family having a non-citizen household member lawfully admitted for permanent residence and who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - b. The family income has decreased due to changed circumstances such as separation, divorce, and abandonment;
 - c. One or more family members have lost employment;
 - d. The family would be evicted as a result of imposing the minimum rent requirement;
 - e. There has been a death in the family; or
 - f. There are other hardship situations determined by the PHA on a caseby-case basis, i.e. alimony, child support, etc.

Financial hardship exemption only applies to payment of minimum rent not to rent based on the formula for determining the Total Tenant Payment (TTP).

- 2. If tenant initiates a request for a hardship exemption that the PHA determines is temporary in nature:
 - a. If the hardship is determined to be temporary, minimum rent may be suspended; during the ninety (90) day period beginning on the day the request is made. At the end of the ninety (90) day period, the minimum rent is reinstated retroactively to the date of suspension and the HAP is again adjusted.
 - b. In the case of a temporary hardship, the PHA will allow the family a maximum of six (6) months to make payment of any delinquent minimum rent payments accrued during the suspension period. However, the family must execute a Repayment Agreement.
 - c. If the hardship is subsequently determined to be long-term, the PHA will retroactively exempt residents from the minimum rent requirement for the ninety (90)-day period.
 - d. Note that the PHA can only suspend the minimum rent contribution. If the family is residing in a unit whose Gross Rent exceeds the Payment Standard, the family will be responsible for the excess rent.
- 3. Hardship determinations are subject to the PHA's Informal Hearing Process and families are exempt from any escrow deposit that may be required under regulations governing the hearing process for other determinations.

- Informing residents of new policy on admission and reexamination
- Establishing or pursuing a cooperative agreement with all appropriate TANF agencies regarding the exchange of information and coordination of services
- (3) PHA will comply with requirements of community service by identifying the number of tenants required to perform community service, the number of tenants granted exemptions, the number of tenants in non-compliance, and the number of tenants terminated/evicted due to non-compliance.

6.0 <u>Description of the Community Service Plan</u>

The Housing Authority of Duval County Community Service Policy is simple and definitive of Section 512 of the Quality and Work Responsibility Act of 1998. The Housing Authority of Duval County believes that the community service requirement should not be received by the resident to be a punitive or demeaning activity, but rather to be a rewarding activity that will benefit both the resident and the community. Community service offers public housing residents and opportunity to contribute to the communities that support them while gaining work experience. The requirement is easy and rewarding and the Housing Authority provides the residents with the name of agencies, the agencies point of contact and all required paper work necessary to accomplish the monthly service.

The Community Service Policy allows the PHA to identify those residents required to participate in the community service requirement. Participants will be required to contribute 8 hours of community service each month or to participate in a self-sufficiency program for 8 hours each month. Identified residents are responsible to determine the appropriateness of the voluntary service within guidelines provide in the policy. Allowed activities that may be included are listed in the policy. Voluntary political activities are prohibited from being considered to meet the Community Service requirement. Participation in self-sufficiency activities that may be included are listed in the policy. A list of exemptions that may be claimed from the requirement is provided in the policy. Family obligations and PHA obligations are addressed in detail. Lease requirements and documentation and non-compliance are all clearly addressed.

Administrative Steps Taken To Implement The Requirement

The following administrative steps were taken in implementing the PHA Community Service Policy. A written notification was sent to all residents regarding requirements on exempt status of each adult family member. Informed all residents that the program would be administered by the PHA, however; they are required to have their hours documented and signed by the agencies where they volunteered. Finally that the volunteer sheet required for filing would be provided by the PHA. The PHA maintains a tracking log.

Programmatic Aspects Of The Requirements

Activities that the residents can participate in and receive community service credit are the Resident Committee, Duval County Library, EMS Department (San Diego, TX & Freer, TX) and Duval County Attorney's Office. For non-compliance with the Community Service Policy the PHA informed residents again of the requirements, then inform them of the consequences for non-compliance, i.e., grounds for eviction.

The PHA assures that the annual plan is consistent with any applicable Consolidated Plan for its jurisdiction.

The PHA has taken the following specific actions to Affirmative Further Fair Housing in its public housing and Section 8 assistance programs:

The PHA <u>will not</u>, on the grounds of race, color, creed, sex religion, age, disability, national origin or familial status:

HUD Fair Housing Posters are posted at the PHA main administrative office and at each development office.

The PHA will ensure accessibility to offices to afford persons with disabilities the opportunity to apply for admission or assistance to the public housing programs.

The PHA will make sure that all employees of the PHA are familiar with non-discrimination requirements, especially those employees who are involved in the admissions process.

The PHA prominently displays a fair housing poster at each office where applications are taken and at each management office.
